The optikum GmbH is an Austrian company, which is specialised more than 20 years in communication in the ophthalmic field with the brand name Optiker Online!.

By means of the branch portal www.optiker.at founded in 1996 and the online specialist magazine **optikum** developed in 2002, we inform Austrian consumers, opticians, optometrists and the industry continuously on the subjects of ophthalmic optics and optometry.

**optikum.at**

- More than 2,900 industry-related articles.
- One of the most read magazines in the ophthalmic sector.
- Established as a professional online magazine for 17 years.
- Freely accessible articles without password requirement.
- Information letter to more than 2,300 people within the industry.
- Through our unique Optiker address database your information will not only reach the owners of the companies, but will also be sent directly to employees and those training to become opticians.
- All articles are freely accessible for an unlimited period of time.
- Smart search function.
- Additional spread of all informations about Instagram.
  - **optikum official**: www.instagram.com/optikum_official
  - **optikum advertisements**: www.instagram.com/optikum_inserate

By positioning information about your products in **optikum** you will optimally reach the target group of German speaking opticians and optometrists. The circuits take place in the framework of specialised articles into which even slide shows and videos can be integrated. Our editorial team will guide you in the preparation and design of these articles on request - without any additional cost.
Structure & process

In only 5 steps to your target groups

1. You send us your pictures and text

2. You will receive a preview of the article in PDF format

3. You approve the article and/or let us know what changes need to be made

4. Your article is published in optikum and Instagram

5. Your article in optikum will be advertised to more than 2,300 industry professionals via info-mail

Process
You send us your text and pictures, and we create an article from your submitted material, including an interactive glasses-slideshow if requested. You will receive a preview of the article in PDF format in order to make corrections and to approve the article before publication.

Topicality
The optikum is updated on a daily basis and is accessible without restrictions. Professionals do not require a password in order to read the online specialist magazine.

Structure
Older articles are replaced by new ones on the optikum start page. In addition, published articles by you will be displayed on the start page via text link for approximately six weeks. Following this, your article is then available for an unlimited time via the optikum or Google search functions as well as the optikum archive and the optikum special subject search.

Banner
You also can advertise your article on all optikum pages by using a banner.

BrillenSlideShow
The optikum glasses-slide show is ideal to get an overview of up to 30 top sellers within a new collection. This special slide show is interactive and is compatible with all current OS, including iPad, iPhone and Android.

Hot Topics
The optikum publishes 11 scheduled articles about important industry topics. You will receive a submission reminder by email approximately 2 weeks beforehand. You can of course publish your information on optikum in between the hot topics.

Circulation
The optikum has been established as a specialist magazine in Austria for over 17 years. Individual articles are read 2,500 times on average in the first year of publishing. The most read article ("The Hermann Grid") has been accessed more than 121,000 times over the past 17 years. We reach more than 2,300 trade professionals (entrepreneurs, employees and trainees) by sending an update about new articles in optikum via the optikum info-mail every 1-2 weeks. Additional, we post to your articles in our Instagram feed and reinforce your informations at the younger persons in the target group.

Top Article
Your article will appear as top article on optikum for two weeks if you have requested that your article is published as top article. New articles will appear beneath the top article. There are only 24 top articles per year. The optikum premium package includes the publication of one top article publication.
Total of annual page impressions: 7,390,741
